URGENT NOTICE: ICD-10 Updates for 2022

As stated above, the 2022 ICD-10-CM diagnosis code changes for next year went into effect on October 1, 2021. Most changes are limited for Chiropractic offices and the number of changes is comparable to last year.

Click below to download the update from David Klein, CPC, CPMA, CHC, co-founder of PayDC

The official ICD-10 updates for Fiscal Year 2022

The October 1st updates should not have a big impact on your office, so long as you take some simple steps to prepare.
